

Healthcare

Backed by our many years operating within this sector, our specialist Healthcare team has a wealth of experience dealing with the financial affairs of clients and understands the specific accounting needs of all businesses within the healthcare sector.

Our clients include medical practices, general practitioners, consultants, surgeons, hospital doctors, locums and physiotherapists. We also act for a number of dentists, opticians, pharmacies and other relevant businesses in the sector.

At MHA Broomfield Alexander we hold membership of AISMA (the Association of Independent Specialist Medical Accountants).

Beyond the traditional accountancy services, our medical and healthcare accountants have a specialised offering to the medical profession which includes:

- Preparing management accounts;
- Cash flow planning;
- Raising finance;
- Tax planning;
- Financial planning and wealth management;
- Preparation of annual superannuation certificates;
- Practice profitability and benchmarking;
- Formation of consultant specialist group practices (partnerships/LLPs);
- Advice and training on accountancy software selection;
- Statistical information on income and expenditure;
- Tax and estate planning;
- Retirement and succession planning;
- Practice profitability and benchmarking;
- Conversion from NHS to Private practice;
- Tax issues surrounding the engagement of workers/locums;
- Review of NHS Pension arrangements, with particular regard to the annual allowance in pension inputs, projections of retirement benefits & consideration of primary/enhanced/fixed protection; and
- Formation of consultant specialist group practices (partnerships/LLPs/Federations).
